

To the Members of the California State Assembly:

I am returning AB 3010 without my signature because I believe that it is unnecessary.

Working with the community colleges on a collaborative basis to modify the current plan review and approval process is a commendable goal, but this can be achieved more effectively and efficiently if addressed administratively, rather than statutorily. In fact, a great deal of work has already been done with stakeholders to identify the problems and successes of the existing process, timelines, schedules, responsibilities and goals.

I am directing the Department of General Services' Division of the State Architect to continue working with the Chancellor's Office of the community colleges to ensure a viable design, plan, and review process is in place, so that our community colleges are designed and built in a timely, efficient and cost-effective manner that serves the best interests of the State of California.

Sincerely,

Arnold Schwarzenegger
